PROFESSIONAL EXPERIENCE

Fidelity Investments

Oct 2011 – Sep 2024

Implementation Lead (Feb 2022 – Sep 2024)

- Administered the enterprise Learning Management System (LMS), supporting compliance training for more than 77,000 employees.
- Configured and deployed enterprise compliance training, managed learner assignments, monitored completion status, and ensured timely training delivery.
- Partnered with HR, Legal, Compliance, Employee Relations, and business leaders to implement and maintain required compliance training initiatives.
- Generated and analyzed compliance dashboards and Tableau reports to monitor training completion, identify trends, and support leadership decision-making.
- Maintained compliance training records and reporting while supporting audit readiness and organizational compliance objectives.
- Provided LMS support by troubleshooting learner issues, resolving system questions, and assisting users with training assignments.
- Managed recurring compliance training calendars, coordinated enterprise communications, and ensured completion of mandatory learning programs.
- Evaluated learning processes and implemented workflow improvements that increased efficiency and contributed approximately $42,000 in annual operational savings.

Systems Analyst (Mar 2020 – Feb 2022)

- Coordinated enterprise system implementations while collaborating with business stakeholders to document requirements, improve processes, and support successful system adoption.
- Maintained implementation documentation, analyzed data, and developed reports supporting operational and compliance initiatives.
- Worked cross-functionally to resolve issues, improve workflows, and support organizational objectives.

Implementation Specialist (Mar 2016 – Mar 2020)

- Coordinated onboarding, instructor-led training, and system implementation activities for multiple client projects.
- Facilitated user training, maintained training documentation, and supported successful adoption of new business processes.

- Collaborated with cross-functional teams to ensure training objectives and implementation milestones were achieved.

Annuity Case Manager (Jan 2014 – Mar 2016)

- Processed complex financial transactions while ensuring regulatory compliance, operational accuracy, and timely resolution of client issues.
- Collaborated with internal departments and external partners to resolve escalated service concerns.

401(k) Customer Service Representative (Oct 2011 – Jan 2014)

- Delivered exceptional customer service while managing confidential account information and resolving participant inquiries.
- Maintained accurate records and collaborated with internal departments to support customer needs.
